Online Databases & eLearning Modules

Authoritative, Exclusive Content in Core Subject Areas

Our critically acclaimed databases and eLearning Modules, covering a variety of core subject areas, are perfect for any institution. Users can be confident that the wide range of sole-source material included in our databases has been written by experts and vetted by our editorial team, rather than aggregated from other sources. Plus, regular updates keep our databases current, fresh, and accurate. For more than 70 years, Facts On File has been a trusted name in reference publishing—and that reputation extends to our wide array of online reference products.
