# Getting started

The screenshot displays the Evernote web interface. On the left is a sidebar with a list of notebooks, including 'All Notes (111)', 'A+ Media (11)', 'Blog Highlights (1)', 'bsdesantis1's notebook (23)', 'BYOD (1)', 'Chrome (2)', 'Coding (1)', 'Common Core (2)', 'Discovery Education (1)', 'Evernote Videos- How To (4)', 'Google (13)', 'Infographics (5)', 'Key information', 'LAL', 'NJSC', 'PD (5)', 'Resources for students (ima (1))', 'Sandi (3)', and 'Socrative (1)'. The 'Google' notebook is selected. The main area shows a 'Note List' for the 'Google' notebook, containing several notes with titles and dates. A 'Sort By' dropdown menu is open over the list, showing options: 'Date Created (newest first)' (checked), 'Date Created (oldest first)', 'Date Updated (newest first)', 'Date Updated (oldest first)', 'Title (ascending)', and 'Title (descending)'. A 'View By' dropdown is also visible. On the right, the 'Note Editor' is open for the note 'Google forms six things you can do', showing the text of the note and a link to a Google Docs document. The interface includes a top navigation bar with 'EVERNOTE', 'Notebook: Google', 'Search', and '+ New Note' buttons. The right side of the editor has 'SHARE', 'INFO', and 'TOOLS' options.

# Sharing

The image shows a screenshot of a Google Docs interface. At the top left, there is a "Google" logo and a "+Tag" button. In the top right corner, there are three main menu items: "SHARE" with a right-pointing arrow, "INFO" with an information icon, and "TOOLS" with a close icon. Below these, there are three smaller icons: a shield, a document with a right-pointing arrow, and a trash can. The main content area shows a document titled "Untitled" with the text "Share notes or notebooks". A red rectangular box highlights the "SHARE" dropdown menu, which contains five options: "Facebook" with the Facebook 'f' logo, "Twitter" with the Twitter bird logo, "LinkedIn" with the LinkedIn 'in' logo, "Email" with an envelope icon, and "Link" with a link icon.

# Using the Evernote clipper

Install from Chrome Store

The image shows a screenshot of a web page titled "MYSTERY CLASS" with a navigation menu and a text block. An Evernote clipper menu is overlaid on the right side of the page, highlighted with a red border. The menu includes options for clipping (Article, Simplified article, Full page, Bookmark, Screenshot), markup (highlighter, eraser, arrow, text, lasso, zoom), and file management (2013 september, Add tag).

The screenshot shows a digital flyer for a vacation. The title is "My European Vacation" in a red, serif font, with the subtitle "FIVE FABULOUS DAYS IN FRANCE AND ITALY" below it. The flyer is set against a background of a wooden surface with a pattern of dark, irregular lines. On the right side, there is a vertical sidebar with several interactive buttons: "Edit your flyer", "Preview", "Print", "Visitors 119" (with a "Show Analytics" button), "Link" (with a URL "https://smore.com/1red8"), and "Flyer Settings".

The massive column in the center of this square was built to honor one of Napoleon's victories. It is made from over 100 cannon plates. Napoleon stands at the top holding a sword and a globe. During the 1871, the column was taken down but was rebuilt later.

Please visit site

# Smore- step by step

The screenshot shows the Smore flyer editor interface. At the top, a white instruction box contains the text: "Start by picking a title" in bold, followed by "Titles are must for all flyers, but you can pick one later." To the right of this box is a button labeled "Skip this step" and a link labeled "change". The flyer design itself is displayed in a dark grey background. The main title "City Yoga Lessons" is written in a large, white, serif font and is enclosed in a dashed white border. Below the title, a subtitle "JOIN OUR YOGA CLUB, EVERY TUESDAY AT 4!" is written in a smaller, white, sans-serif font, also enclosed in a dashed white border. At the bottom of the flyer, there is a section with the heading "Join the best yoga class in the city." followed by a paragraph of placeholder text: "This text is very important as it appears next to the beginning of the page. In other words, this is the best place to a) tell people what your class is about, and b)". To the right of this text is a placeholder for an image, consisting of a camera icon and the text "Add Picture".

**Start by picking a title**  
Titles are must for all flyers, but you can pick one later.

[Skip this step](#) [change](#)

# City Yoga Lessons

JOIN OUR YOGA CLUB, EVERY TUESDAY AT 4!

**Join the best yoga class in the city.**  
This text is very important as it appears next to the beginning of the page. In other words, this is the best place to a) tell people what your class is about, and b)

  
Add Picture

# Smore- Adding Content

**Join the best yoga class in the city.**

This text is very important as it appears next to the beginning of the page. In other words, this is the best place to a) tell people what your class is about, and b) convince them that they should join!

**Every Tuesday at 4 at the civic center.**

This is a good location to include instructions or more details about the class. Try to make sign up links as clear as possible so people can easily find them.

# QR – [www.classtools.net](http://www.classtools.net)

## QR Treasure Hunt Generator!

Get students using their mobile devices to move and to learn - **NO INTERNET CONNECTION NEEDED!**

### 1. Submit!

Input a series of questions and answers.

No programming experience needed - just cut and paste from a word processor

### 2. Create!

Get a QR code for each question.

Automatically generated as text files, **\*no need for web access\*** to read!

### 3. Display!

Put the QR codes around your school.

Be creative - different sizes, different places

### 4. Begin!

Students find and answer the questions.

The team with the most correct answers in the time available wins

Get Started!

# Directions

**create your own quiz**

1. Provide the title of your quiz here.
2. Type (or copy and paste) your questions and answers here, in the following format:  
question\*answer  
question2\*answer2

(note: It is the QUESTIONS are turned into QR codes. The answers are for your reference only).

# Output (one/question)

Modern World History Overview (Yr10): QR Challenge

# Suggestions

## QR Challenge: Modern World History Overview (Yr10)

[View the questions!](#) | [Get the QR Code for each question!](#)

[Create a New Quiz](#) | [Edit this quiz](#) | [Contact](#)

### Teacher Notes

#### A. Prior to the lesson:

1. Arrange students into groups. Each group needs at least ONE person who has a mobile device (note: an internet connection will **not** be needed).
2. Ask students to
  - Download a QR reader (e.g. [I-Nigma](#) | [NeoReader](#) | [Kaywa](#)) onto their mobile devices
  - Bring these devices into the lesson.
3. Print off [these QR codes](#) for each of [these quiz questions](#).
4. Cut them out and place them around your class / school.

#### B. The lesson:

1. Have the first ("introduction") QR code on display on your whiteboard.
2. Each team scans it into their device and gets told to start hunting around the school for the remaining QR codes.
