The screenshot shows a software interface with several panels. On the left, the 'PICTURES' panel has a search bar with 'baboon' and a magnifying glass icon. Below the search bar, a red box highlights a gallery icon. Underneath, there are radio buttons for 'Book' and 'Background', and the text '2 pictures found' above two baboon images. The central area is a large preview window showing a landscape with a blue sky, a green ground, and a grey horizon. Below the preview is a 'PAGE NARRATION' text box containing the text 'What is happening on this page?'. At the bottom, a 'PAGE MANAGER' section shows a tab labeled '1'. On the right side, the 'APPEARANCE' panel is highlighted with a red box. It contains a section titled 'This Page' with four color selection options: 'Page Color' (white), 'Ground Color' (green), 'Horizon Color' (white), and 'Sky Color' (blue). In the top right corner, there are 'Print' and 'Save' buttons.

The screenshot shows a software interface for creating a presentation slide. The main area displays a slide with a blue-to-green gradient background, a white speech bubble containing an exclamation mark, and a wood duck image on a white platform. The interface is divided into several panels:

- PICTURES:** Located on the top left, it includes a search bar with the text "Search for a new picture", a magnifying glass icon, and a row of icons for gallery, folder, document, and globe. Below this, it says "Add pictures to:  Book  Background" and "2 pictures found". Two thumbnails are shown: one of a wood duck and one of a document page.
- APPEARANCE:** Located on the top right, it contains several sliders for "Size", "Rotation", and "Pop Angle". Below the sliders are radio buttons for "Cut-out:" (Invisible, Use Color) and "Backing:" (Double-sided, Use Color). At the bottom are sliders for "Pop delay" and "Pop time".
- CHARACTER TEXT:** Located at the bottom left, it has a text input field containing "This is a wood duck. I've linked it to a [site](#) about birds." and a red box around it. To its right is a "SOUND" section with a microphone icon and a magnifying glass icon.
- PAGE MANAGER:** Located at the bottom left, it shows a page number "1" in a box.

Library Link Presentation

# Tabs provide other features

The screenshot displays the Mindomo software interface. At the top, the title bar reads "Library Link Presentation - Mindomo" and "Welcome Barbara De Santis". The main menu includes "Home", "Insert", "Format", "Review", and "View". The "Insert" tab is active, showing options for "Topic", "Subtopic", "Relationship", "Notes", "Boundary", "Hyperlink", "Attachments", "Multimedia", and "Task Info". A yellow dashed box highlights the "Insert" tab and its sub-menu. Below the menu, a mind map diagram is visible. The central node is "Library Link Presentation". It is connected to "Edmodo" (with a blue 'e' icon), which is further connected to "Domain" and "Guide". To the right of the central node, there are two green boxes: "Animoto" (with a play button icon) and "Zooburst" (with a building icon). The left sidebar contains icons for "Not", "Hyp", "Mult", "Tas", "Co", and "Ch".

# Change the background

The screenshot displays the Mindomo software interface. At the top, the title bar reads "Library Link Presentation - Mindomo" and the user name "Welcome Barbara De Santis" is visible on the right. The main menu includes "Home", "Insert", "Format", "Review", and "View". The "Format" menu is expanded, showing sub-menus for "Shape Fill", "Line Format", and "Image alignment". The main workspace features a red background with a central mind map. The central node is "Library Link Presentation", which is connected to "Edmodo" (with "Domain" and "Guide" sub-nodes) and "Animoto". A separate node "Zooburst" is also present. The bottom status bar shows "Library Link Presentation" and system icons for "Me" and "81%".

# Change views

The screenshot displays the Mindomo software interface. At the top, the title bar reads "Library Link Presentation - Mindomo" and "Welcome Barbara De Santis". The "View" menu is open, showing options for "Normal View", "Full Screen View", "Notes Panel", "Topic features", "Zoom" (100%), "Fit map", "Balance Map", "Levels", and "Collapse Map".

On the left, a "Notes" panel is visible with the text "This is a sample for a test." and a rich text editor toolbar. Below the notes panel is a vertical toolbar with icons for "Not", "Hyp", "Mult", "Tas", "Co", and "Ch".

The main workspace shows a mind map diagram on a red background. A central yellow box labeled "Edmodo" is connected to a larger yellow box labeled "Library Link Presentation". The "Edmodo" box has "Domain" and "Guide" labels next to it. To the right, there is a green box with a building icon and the text "Zooburs".

The bottom status bar shows "Library Link Presentation" on the left and "Me 91%" on the right.

### Walking through Nature

JUL 05, 2011 09:16A.M.

These birds came to my school as a gift- they had belonged to long time family friends. Mrs. Fleschner's class became the curators. They researched and prepared this exhibit. My special thanks for all their hard work and support. 🌱

MS. DE SANTIS' BLOG

### Talking heads

JUL 03, 2011 07:22P.M.

Create your own talking head. ANMISH allows recording 30 seconds of sound and placing it in the mouth of several world leaders (think cartoons). This is similar to Blabberize- yet you only have to record (and for some images, you can change the camera shot). It will also disguise your voice. You can link the cartoon but there is no direct embed code. It worked from a student account (unlike Voki which does not). (From Larry Perlman's blog) 🌱

MS. DE SANTIS' BLOG

### Make those games POP!

JUL 01, 2011 10:24A.M.

BrainPOP recently launched a new series of games! While at ISTE this week, I had a chance to test drive them with the BrainPOP staff. The games are linked to videos and are a great addition to one of my favorite products! (By the way, Moby says hi!) Click here to access GameUp. Games (and the related video) are free. 🌱
