

About Infobase and our Brands

Infobase is one of America's leading providers of supplemental educational materials to the school and library markets. Founded in 1941, our company has a long history of publishing award-winning and highly acclaimed resources for K–12 schools, academic institutions, and public libraries. We take pride in creating resources that engage, enhance, and enrich the learning experience of students at all levels. And while we still publish individual print and video titles, we fully embrace the efficiency and expediency of digital formats in the form of online databases, eBook collections, streaming video collections, and professional development content and courseware.

Infobase is a family of highly regarded brands and products. Each imprint has a long history of publishing award-winning book and video titles across a wide range of subjects.
