

# Supporting Civic Engagement in the Library:

## The Skokie Civic Lab Model

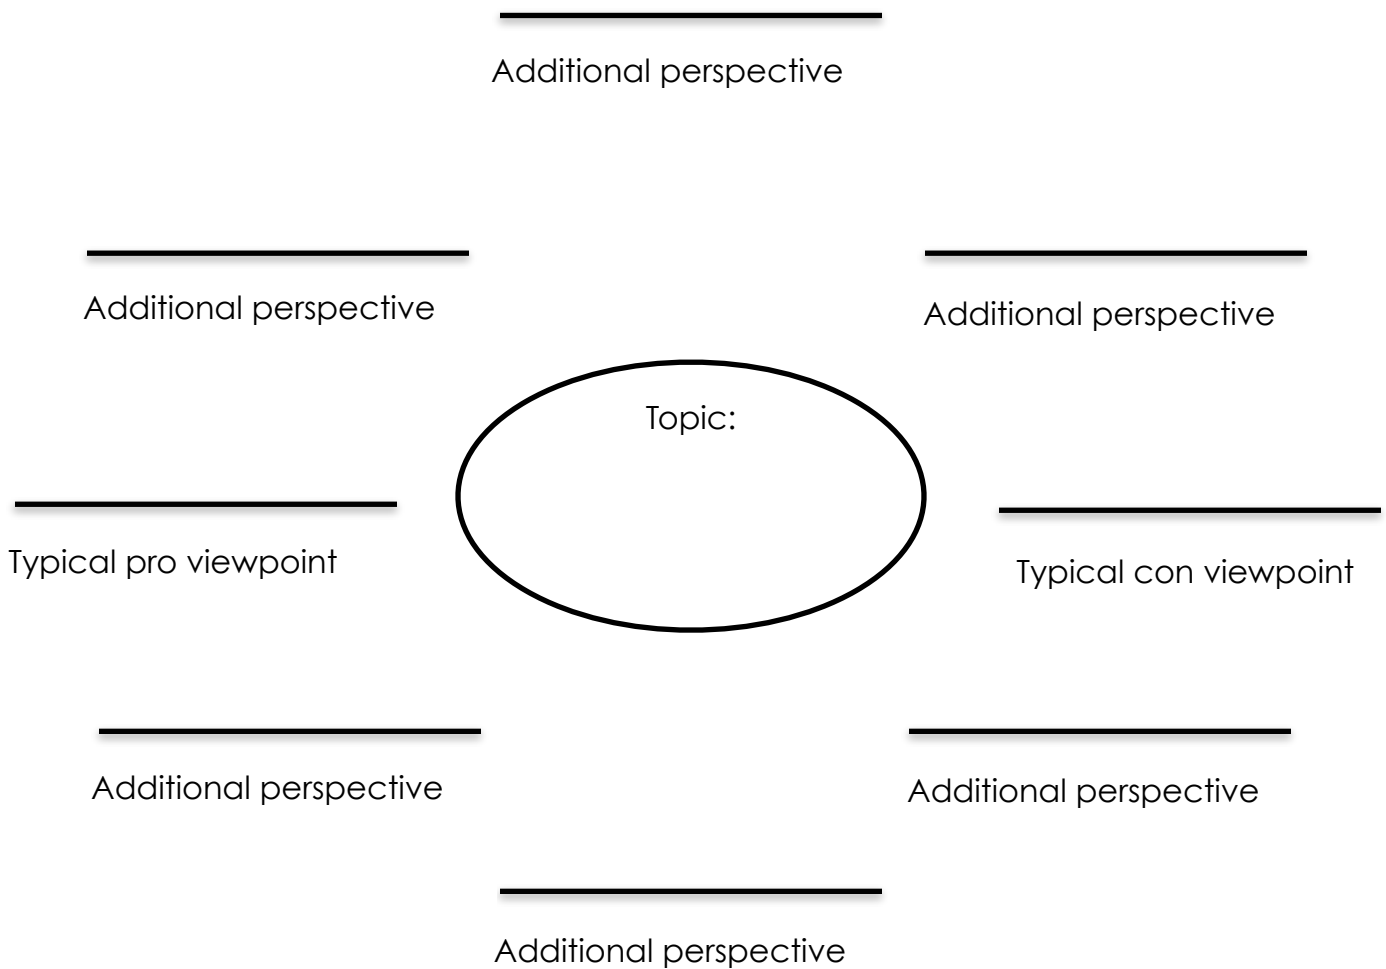

8 January 2019 | LibraryLink NJ Webinar

### Presenter Contact Info:

Amy Koester, Learning Experiences Manager at Skokie Public Library,  
amy.e.koester@gmail.com

### Worksheet for Curating Resources:

Choose a topic for a civic discussion or resource list. Start with the most common pro/con viewpoints, then map out additional potential resources.

# Supporting Civic Engagement in the Library: The Skokie Civic Lab Model

## **Worksheet for Ideation:**

What civic/news topics are coming up in conversation in your community?

What type of program could you offer to explore one of these topics?

What/who are some resources, allies, and/or partners who might assist in exploring this topic?

What is an obstacle you might encounter in pursuing your program?

Who can you count on for support, brainstorming, and troubleshooting as you pursue your program?
