May 10, 2012

Sophie Brookover: (5/10/2012 09:43) Good morning! Thanks for joining us for iPads in the Children's Room.

Joanne Roukens: (09:43) Good morning everyone! This is Joanne Roukens. I am providing tech support this morning. If you have any problems with your audio/video during the program, we find that exiting and re-entering the meeting room fixes most things. If your problem persists or you are having another tech issue, please call me at 201-874-6885.

Sophie Brookover: (09:43) We're going to get started in about 15 minutes -- until then, please feel free to network & hobnob here in the Chat box.

Sophie Brookover: (09:44) Please also take a moment to make a note of Joanne's phone number above -- you'll need it in case you experience any serious technical difficulties.

Pat Findra: (09:51) Hi, I'm Pat at Monmouth county, I see 2 people I know on the participants list! The subtitle says it all for me, I'd like to investigate what I can do in our children's dept using ereaders.

Carla Segarra: (09:53) Hi I am Carla from the East Orange Public Library, we recently acquired an Ipad. We are looking for different ways of how to incorporate the Ipad into our ongoing and future programs.

Sophie Brookover: (09:53) Thanks for joining us, Pat! It sounds like Kiera has a lot to offer on e-readers broadly.

Sophie Brookover: (09:54) Hi, Carla! I think you'll find a lot to think about & use at East Orange today.

Linda Simpfendorfer: (09:56) Hi! I'm Linda from Livingston Public Library. We've been talking about getting iPads in the Children's Room and I'd love to know how to get started.

Sophie Brookover: (09:56) #LLNJ_ipads

carol phillips: (09:56) Hi, I am Carol from the East Brunswick Library. We hope to add ipads in the children's and teen department here for use in the building.

Kelly Fitzgerald: (09:57) Hi, I'm Kelly from the Weehawken Library. I am looking for ideas to use our Ipad in our children's dept.
