Love for ASLdeafined!

"ASLdeafined is set up in a way that is easy to navigate and allows you to search for specific phrases and words that make learning very efficient.

I LOVE that there are theme related lessons and vocabulary useful for many of our Library patrons on the frontline of working with the Deaf community!"

Toni S-Librarian, Indian River Area Library

"My Students and I LOVE ASLdeafined.
The progress based online
learning program makes learning easy
for students of all levels. My kids
use the dictionary feature all the time!"
Lauren F-ASL Teacher
Loudon Valley High School

"I LOVE how ASLdeafined is self-paced!
It is cool that I can keep
learning ASL without needing to have
an in-person teacher. The dictionary
feature is useful for real world applications.
The entire program is easy to
navigate and makes learning easy and fun!"
