**Ricardo Pino**, West Milford Township Library

Public -- Passaic County

Member-at-Large, Three-year term: July 1, 2019 through June 30, 2022

received 5/28/19

*In my library career I have served as a Branch Manager at the Passaic Public Library, and have been the Director of the West Milford Township Library since 2015. I have also served on the PALS Plus Executive Board since 2017, as Treasurer since 2018, and as Chair of the Policy and Practices Committee since 2019. Prior to librarianship, I worked in client relations or staffing/human resource roles in the marketing, corporate events, and arts fields. I firmly believe in the tradition and value of shared services across all types of libraries in our state. The recent crisis over the long-term viability of LibraryLinkNJ has highlighted the need to refocus LLNJ's priorities and strategic decision-making in order to make it a truly effective representative for us as member libraries. I have the drive and support to serve on the Board as an effective team member to return LLNJ to long-term viability as a true voice for us.*
