About Us

LibraryLinkNJ, The New Jersey Library Cooperative, is a 501(c)3 nonprofit organization. Our 2,600+ member organizations are the public, school, academic, and special libraries of the State of New Jersey. Our services are funded by the New Jersey State Library, which is responsible for the coordination, promotion, and funding of the New Jersey Library Network.

Heading into Fiscal Year 2019 on July 1, 2018, LibraryLinkNJ's existence is threatened by a budget crisis. If we can't close the current budget gap of \$370,000, the Executive Board will ask the membership to approve the dissolution of the Cooperative by June 30, 2019.
