[Master Curriculum Video Collection – Classroom Video On Demand](#)

Now with a fresh new look, enhanced functionality, and an improved user experience, *Classroom Video On Demand* provides users with the content, tools, speed, and performance that today's online experience demands. Created for high schools, this fully responsive and mobile-friendly curriculum-focused video subscription provides unlimited access to thousands of videos for ALL departments. *Classroom Video On Demand's* Master Curriculum Video Collection serves the specific needs of students who are preparing for college by providing top-quality video across the entire high school curriculum, including life skills and guidance. This specially curated collection is ideal for high schools that want targeted content, tailored specifically to their level, rather than a collection that pools the entire range of K–12 content into one platform.

[Career and Technical Education Video Collection](#)

A multipurpose tool for vocational and technical high schools, the Career & Technical Education Collection is a powerful resource for students learning a trade and preparing for the world of employment. The video lessons on technical trades and STEM disciplines are ideal supplements for teachers dealing with heavy class loads, and the wealth of titles on navigating the job search and application process will prepare students for ultimate success. Featuring exclusive producers such as Shopware, Cambridge Educational, and Meridian Education, this collection also meets Perkins guidelines.

[World Cinema Collection](#)

This unique collection includes the best of the silent era, groundbreaking international directors, masterpieces from the mid-20th century, and contemporary films from around the world, including Africa, Asia, Europe, Latin America, the Caribbean, the Middle East, and North America. Perfect even beyond film studies classes, these titles bring value to programs in multicultural studies, political science, history, world languages, and more.

Some World Cinema titles contain mature themes or content; viewer discretion is advised.

[Feature Films for Education](#)

Teach with the best Hollywood has to offer and harness the storytelling power of film as a tool for engaging and inspiring students. The *Feature Films for Education Collection* offers hundreds of full-length feature films for educational instructional purposes. Brought to you in partnership with Global Eagle, this high-interest collection focuses on both current and hard-to-find titles, including dramas, literary adaptations, blockbusters, classics, science fiction, environmental titles, foreign films, social issues, animation studies, Academy Award® winners, and more.

This collection is available only in the United States. Some *Feature Films* titles contain mature themes or content; viewer discretion is advised. Administrators can suppress content for their school or district by MPAA rating as needed.
