

Instructions for Participating in the Spring FY17 LLNJ Keynote via Facebook Live

Welcome to our Facebook Live broadcast of ALA President-Elect Loida Garcia-Febo's keynote!

LLNJ Spring Membership Keynote on Thursday, June 8, 2017, from 2:00 - 3:30 pm.

Important Points:

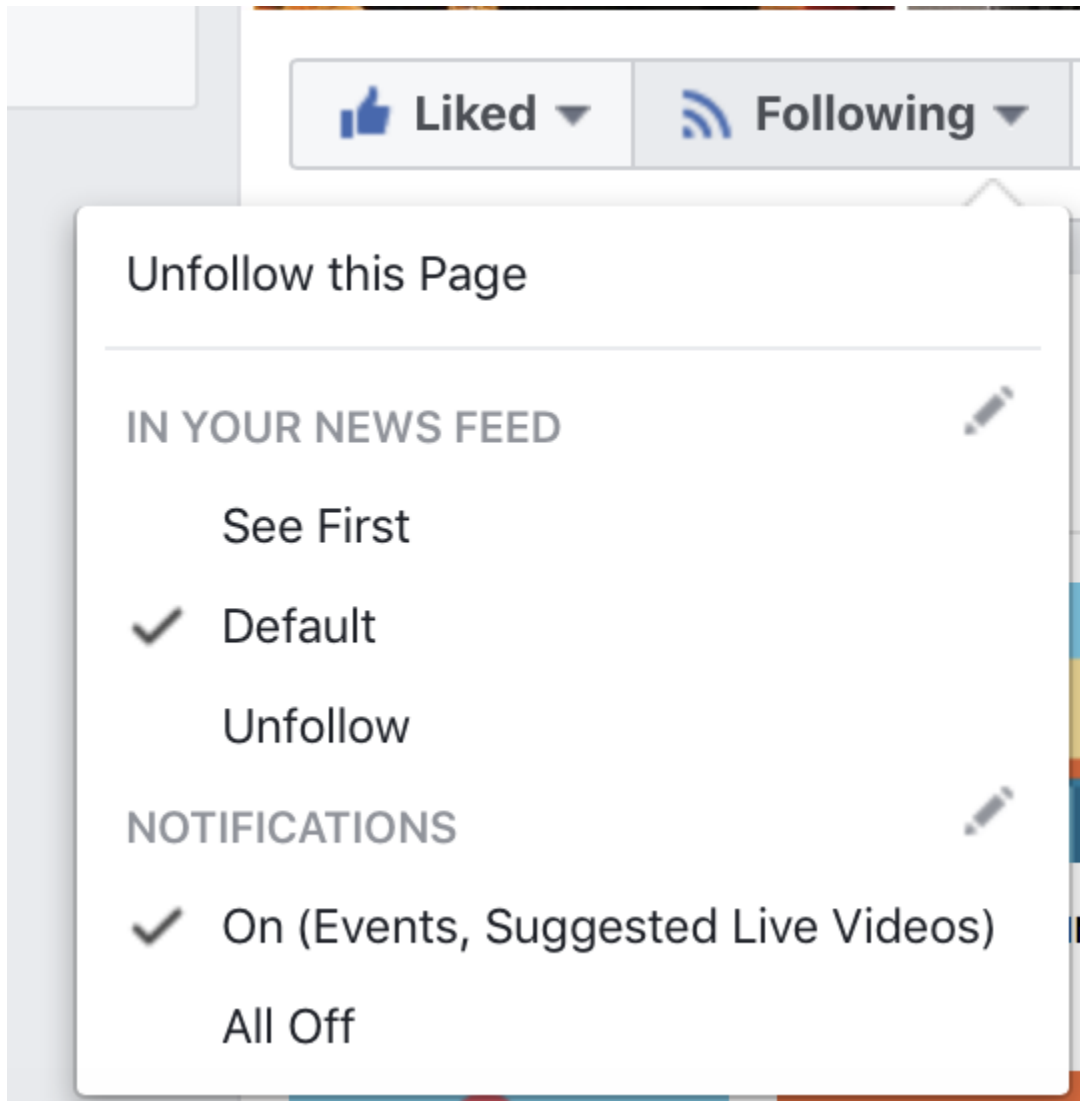

- Loida's talk will be broadcast via our Facebook Page using Facebook Live Video
- This document includes instructions for updating your Facebook Notifications settings so that you will be alerted when the Live Video feed begins
- If you can't participate in real time, we will save the video to our Facebook Page, where it will be readily available for future viewing. We will also publicize a direct link to the video after the meeting
- Your online meeting videographer is Sophie Brookover
- There will be both video and audio of Loida's talk
- You will be able to submit comments and responses to Loida's talk via the chat box at the bottom of the video screen
- Sophie will be simultaneously listening to and live-tweeting Loida's talk. She and Loida will review your comments after the meeting is over.
- *Sophie will not be available to assist you with technical issues that day - either before or during Loida's keynote.*

Equipment:

- We recommend that you use a desktop, laptop or mobile device with either a strong wireless or a hard-wired Internet connection.
- To hear Loida's keynote, you can use any of the following:
 - Speakers built into in your monitor, laptop, or mobile device
 - Headphones or earbuds

We strongly urge you to update your Facebook Page notifications for LibraryLinkNJ, at least one day prior to the Live Video:

- Open up <https://facebook.com/LibraryLinkNJ> or search for LibraryLinkNJ on the Facebook app
- If you haven't already Liked the LibraryLinkNJ Facebook Page, please do so by clicking or tapping the thumbs-up icon
- Next, update your notifications settings by mousing over or tapping the *Following* icon next to the thumbs-up icon:

- Click the pencil icon next to *Notifications*, then in the Live Videos portion of the dialogue box, click the radio button for All Live Posts, then click the Done button.
