Announcing the Search for a New LLNJ Executive Director

Greetings! I wanted to share with LibraryLinkNJ member libraries that the Board approved hiring Bradbury Miller Associates at the most recent Board meeting. Bradbury Miller Associates, has existed since 1983 as an executive search firm dedicated exclusively to helping libraries find leaders. They worked with LibraryLinkNJ on our last Executive Director search several years ago so many of you may be familiar with them.

We are in the process of developing a search committee and schedule for the process. As the first step, Bradbury Miller will be sending the members an online survey. You will get this in the next ten days or so. They will also be making their first site visit to meet with us sometime in the near future.

We want to be sure and continue regular communication with all of the LibraryLinkNJ stakeholders and this is a start. Look forward to their online survey soon. We will also let you know who will be making up the search committee and the timeline for the search process.

If you have any questions, please don't hesitate to reach out to me, Juliet or the LLNJ Board and we will respond as quickly as we can.

Best regards for the New Year.
