

Online Support for Veterans

benefits, career, & academic assistance

Live Benefits Navigator

The Brainfuse VetNow Navigators help veterans and their families understand and apply for eligible benefits. VetNow Navigators are experienced veterans available on-demand to:

- answers questions related to benefits eligibility;
- connects patrons to applicable community resources for housing, healthcare and education benefits;
- assists patrons with locating accredited claims agents.

Job Tools

Designed to help with all stages of the job search process, VetNow features career coaching, expert resume assistance, live interview preparation, unemployment benefits assistance, and more.

CAREER ASSESSMENTS

Use the career resources and eParachute™ to discover your best career fit based on education, experience, and personality.

JOB SEARCHING

Search for a job with carefully curated local and nationwide resources. Connect with an unemployment benefits coach for help filling out forms and insight into the various guidelines.

RESUME RESOURCES

Download resume templates and work with experts to develop a resume or cover letter to help transition to civilian employment.

INTERVIEW PREPARATION

Brush up on interview techniques and get live online interview practice from trained job coaches.

“So helpful and straight-forward. They helped me edit my job application so I could better get my message across. Thanks again, really appreciate the help!”

College Skills

VetNow provides veterans and their families with an array of tools to develop college-ready academic skills, including:

- Live tutoring in a wide range of college level subjects;
- Skills building through live tutoring, an extensive library of lessons, video tutorials, and practice tests including SAT, ACT, TEAS, HESI, GRE, GMAT, and more;
- Live or asynchronous writing support;
- Live assistance for language learners;
- Asynchronous, 24/7 help with academic questions;
- Access to an extensive library of flashcards, with the ability to create a more engaging study session through fun games, mini-quizzes, and more.

About Us

Brainfuse VetNow supports your community's veterans and their families with navigating the VA bureaucracy, providing academic tutoring, and assisting with employment transition. Brainfuse serves hundreds of library systems and organizations throughout the country, including CalVet, the Las Vegas-Clark County Library District, the Prince Georges County Library District, and North Florida/South Georgia Veterans Health System.

After more than a decade, and millions of tutoring sessions, Brainfuse is one of the most experienced tutoring companies in the nation. We remain committed to providing high quality academic and career support. Brainfuse continually strives to meet the unique needs of patrons through innovative features and services.

“I was impressed with the amount of information on this website. It seems relatively easy to use with all options clearly set out on the home page. The live chat functions for Veteran Navigator (VA benefits and community resources), job coaching, resume preparation, and college skill tutoring is a strength that should benefit Veterans and should help “coaches” to connect with them. ”

Spanish Language Support

Brainfuse currently offers tutoring services in Spanish for all subjects offered in English. Our Spanish-speaking tutors are all US-based.

Our Experts

Brainfuse employs thousands of tutors nationwide and devotes more resources to selecting high-caliber tutors than any other education company. All of our tutors undergo a multi-step evaluation and training process, which includes:

- Resume Review
- Online Proficiency Test
- Comprehensive Background Check
- Quality Assurance Procedures
- All Navigators are veterans
- Interview
- Simulated Session Test
- Training
- All Job Coaches must have HR Experience
