*Linking Library Staff Statewide*

MentorNJ is a result of the MentorNJ Project funded by the New Jersey State Library and LibraryLinkNJ, in order to serve as a gateway to librarians and library paraprofessionals new to the profession or the state. The goal of this service is to promote professional sense of pride and connectedness among the New Jersey Library Community and expand library professional roles in the present and future.

## *Linking Library Staff Statewide*

MentorNJ is for everyone! Our mission is to strengthen relationships in the New Jersey library community and provide an avenue for collegial collaboration and support.

**Explore valuable resources for those new to the profession and the state:** MentorNJ - A virtual guide to NJ Libraries provides information on consortia, local professional organizations and groups, links to New Jersey libraries' online resources, and a guide to listservs and online forums. It also includes a Mentors' Directory. Meet our New Jersey mentors and get inspired! Be a mentor or mentee, and be part of this high-powered network!

**Share your experience and knowledge with other colleagues:** Be a mentor! MentorNJ invites our NJ library colleagues --- at all professional levels, and from all types of libraries --- to participate as a mentor:
